Thank you, Ms. Sniadala.

I can confirm that I have received a document called "Matt - H PRSC re ABA Therapy" on February 28th, 2022 as well as Mr. Wehrman's substitute appearance on February 28th, 2022. I acknowledge that you attached a couple documents called Amended Notice of Filing and Amended Notice of Motion. However they are undated and unstamped.

I request that you acknowledge your original failure of service and confirm I was served today and that you provide proof amended service.

You will receive a response to the PRTSC according to the time granted by law. 30 days I believe?

Thanks,
Megan Mason

These were not served today. We resent them due to your claim you did not receive them when we were last in court. You can address this issue with the Court the next time we appear.

Further, you need not communicate with our staff. All communication shall be directed to me. Ms. Sniadala will assist me in serving documents, as well as performing other legal services, but is not an attorney representing Peter and I have instructed her not to respond to your demands or questions.

Chris

Simmer down, tiger. If you don't want follow up emails, send the documents you attest under perjury to having sent. If the esteemed Ms. Sniadala finds follow ups burdensome, Ms. Sniadala is welcome to send the stamped copies in her original email to save me the time of following up.
