Parties,

You have all been named as defendants personally, in your professional capacity or both in Case 1:22-CV-2315 in the Northern District of Illinois, before the Honorable Charles Norgle. You all received the original complaint and learned of the allegations made toward you therein - personally and professionally - on or before May 19, 2022. I am also a federal witness against many of you in criminal investigations related to many of the same crimes described clearly and truthfully in this civil complaint.

Without exception, you have all obfuscated and attempted to hinder justice in this matter by - contrary to the Rule 4 of the Federal Rules of Civil Procedure - refusing to waive formal service. As of this writing more than thirty days after you received this Complaint none of you have filed an appearance or designated an attorney to file an appearance to answer for these very serious and, I maintain, truthful allegations I have made against you before this Court. You have been and will continue to be fully informed of the allegations against you. You must answer.

On Friday, July 1, 2022, I will present the attached Motion for Preliminary Injunction and Temporary Restraining Order before the Honorable Judge Charles Norgle or any judge sitting in his stead in Courtroom 2341 of the Northern District of Illinois at 9:30 a.m. or soon thereafter. Before that time I assume all parties will have received both actual notice of the suit against you as presented to you on or before May 19th, 2022 as well as formal service. You all are in receipt of the Motion for Preliminary Injunction as filed and attached here, and as clearly described in the Complaint you received on May 19th, 2022.

You all understand that you are defendants in this suit and I ask you to act ethically, with dignity, and without further acts of witness intimidation, obstruction of justice, witness retaliation or other serious federal crimes, as are occurring at present. The people of Illinois don't have time for nonsense.

In particular I would like to note that Judges Dickler, Evans and Johnson are, through your professional capacity, authorized to reprimand or curtail, even imprison, citizens before you who attempt to evade service, obstruct justice, tamper with witnesses and evidence, intimidate their accusers or otherwise seek to avoid honest, just accountability before the law. Answer for your alleged crimes or misdeeds. It is your duty and your obligation. You have no right to curtail justice that you claim to impose on others.

Until you have acted in accordance with your responsibility under federal law to waive service, I have arranged formal service of process of the documents attached here:

A Copy of the Stamped Summonses

A Copy of the Notice of Motion for Each Party

A Copy of the Amended Complaint for Case 1:22-CV-2315

A Copy of the Motion for Preliminary Injunction and Temporary Restraining Order

A Copy of the Signed Consent for Magistrate Hearing

These documents are being provided to: The Circuit Court of Cook County, Judge Timothy Evans, Judge Grace Dickler, Judge Robert Johnson, Mr. Michael Bender, Mr. Bradley Trowbridge, Mr. Christopher Wehrman, Ms. Iris Martinez, Ms. Dorothy Brown, Dr. John Palen, Dr. Gerald Blechman, Ms. Kaye Mason, Ms. Lorie Garner. Defendants Steven Klein and Matthew Link are also being provided the Complaint, Motion and Notice of Motion and are encouraged to waive service according to Rule 4 of the Federal Rules of Civil Procedure.

I look forward to your professional and collegial collaboration in coordinating the hand delivery of each of your summonses and other documents and I trust that if any party should believe that he or she has a basis to oppose my Motion for Preliminary Injunction, he or she will present that claim on Friday before Judge Norgle.

I would also like to remind all parties who are witnesses to federal crimes and perhaps, due to junior status, required as part of your job to commit acts in furtherance of your

supervisors' personal crimes: you have a duty to cease involvement in crimes and to report acts such as obstruction of justice, filing of fraudulent court documents and federal witness tampering and intimidation when you are aware of them. I would consult with a federal criminal attorney in situations where you may be confused as to whether an action you are asked to perform is a protected legal activity or a criminal act. I would also encourage you to report payments you observe to your employers from funds you know to be laundered. I encourage anyone of conscience to cease participating in acts of federal witness retaliation and intimidation orchestrated by other parties. I would encourage any party of conscience to report federal crimes to the F.B.I. by calling (312) 421-6700.

Kind Regards,
Megan Mason
