Parties,

I did not appear at a hearing where this was discussed. I did not present my Petition. I did discuss with Ms. K Mason presenting this as well as my newest motion to dismiss Michael Bender but have not done so.

Ms. Mason and Mr. Johnson are both attorneys who have filed appearances in another federal action in which I am plaintiff. I assumed they removed themselves yesterday.

What hearing are you taking about? Why were ex parte proceedings conducted?

Megan

Sorry, I realized I mistyped. Ms. Mason and Mr. Johnson *have* attorneys: Joseph Hodal and Elizabeth Brogan for Ms. Mason. Robert Johnson is represented by Erin Walsh.

Parties,

Just to clarify, I am still waiting for clarification as to any hearing, ex parte meeting or other discussion between Mr. Matt's counsel and the court wherein a Section 215 evaluation was ordered. Please explain and provide any notes, briefs or documents related to such a side conversation from which any party representing my beneficial interest has been excluded. Also following up because I am concerned about Mr. Matt's interference with my children's right to access their mother. On Friday, October 7th, Mr. Wehrman emailed the below document describing an order that Robert Johnson was instructed to enter using the authority of the court. Since that time I know of no such order having been entered.

As of this filing I have not received an order from a sitting judge in Cook County, or any other Illinois judge, that prevents me from seeing my children. As of this writing I do not see an order revoking my parenting rights entered. Obviously, based on no fact or law, such an order is unwelcome and inappropriate. But to appeal an illegal ruling, it must be entered. Will it be entered? I'm attaching the screenshot below that shows that no such order has been entered as of this morning.

And yet yesterday, on October 11th, 2022, I texted with the court ordered visitation supervisor, Lous Sanchez, to confirm a meeting with my children that evening. By Mr. Matt's prior actions I am only allowed to see them on Tuesdays. Mr. Sanchez said there was a court order from Mr. Matt preventing this. Well I just don't think Mr. Matt or Mr. Wehrman is in fact authorized under Illinois to issue binding court orders. Of course, in my criminal complaints I have alleged that Robert Johnson and Michael Bender, personally, have acted in criminal conspiracy with Mr. Matt and Mr. Wehrman to retaliate against me as a federal witness. Are we in fact dispensing with a pretense of authority and allowing Mr. Matt to write his own court orders?

Are we dispensing with Illinois law entirely? Or do we intend to have orders signed by sitting judges and filed with the clerk?

Thanks,
Megan

Parties,

I remain unaware of any proceedings, discussions or facts in support of orders received. I intend, as ever, to follow Illinois to the best of my ability. At the same time, I do believe I have a right to understand why there has been no fact submitted, basis stated, or fact alleged that would suggest I am a danger to any party. I deny any such allegations.

Please provide me with any evidence, facts or basis for the rulings. Please advise me of any hearings, ex parte conversations or other proceedings in the past two weeks, as referenced in the docket from The Circuit Court of Cook County. Please comply, as ever, with requirements to disclose ex parte communications (an example would be a hearing involving Mr. Matt and/or individuals representing his interest and Judge Robert Johnson, but excluding myself or anyone representing my beneficial interest). I do not know about a hearing on October 7th or any other date between September 13th, 2022 and the present date.

I am attaching a screenshot of the docket showing activity between October 5th, 2022 and the present date of which I am unaware. Please advise.

Kind Regards,
Megan Mason
