These definitions are incorporated in and made a part of the *Petition* to which they are attached.

- 3. Elder Adult with Disabilities: "Elder adult with disabilities" means an adult prevented by advanced age from taking appropriate action to protect himself or herself from abuse by a family or household member.
- 4. **Exploitation:** "Exploitation" means the illegal, including tortious, use of a high-risk adult with disabilities or of the assets or resources of a high-risk adult with disabilities. Exploitation includes, but is not limited to, the misappropriation of assets or resources of a high-risk adult with disabilities by undue influence, by breach of a fiduciary relationship, by fraud, deception, or extortion, or the use of such assets or resources in a manner contrary to law.
- 5. For purposes of this paragraph, neither a casual acquaintanceship nor ordinary fraternization between two individuals in business or social contexts shall be deemed to constitute a dating relationship. In the case of a high-risk adult with disabilities, "family or household members" includes any person who has the responsibility for a high-risk adult as a result of a family relationship or who has assumed responsibility for all or a portion of the care of a high-risk adult with disabilities voluntarily, or by express or implied contract, or by court order.
- 6. Harassment: "Harassment" means knowing conduct which is not necessary to accomplish a purpose that is reasonable under the circumstances, would cause a reasonable person emotional distress, and does cause emotional distress to Petitioner. Unless the presumption is rebutted by a preponderance of the evidence, the following types of conduct shall be presumed to cause emotional distress:
  - a. creating a disturbance at Petitioner's place of employment or school; or
  - b. repeatedly telephoning Petitioner's place of employment, home or residence; or
